

REAL ESTATE OFFICE SOLUTION

To the licensee in charge, or decision maker of the real estate organisation

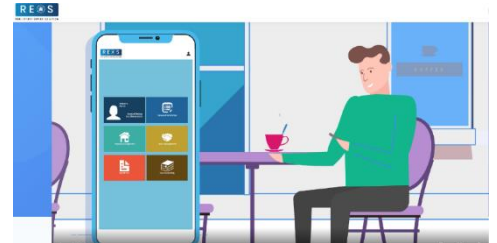

Hello there and warm greetings,

**Fact: We are only as strong as our weakest link!**

**Fact: Knowledge is power!**

**It is the one thing no one can take away from you.**

**As such, we believe that by investing in acquiring more specific knowledge, it will be the BEST investment you will ever make for your entire organisation and staff!!!**

**Let us introduce Real Estate Office Solution (the REOS online system)**

Many industry experts have joined forces over several years to build the REOS.

It is a game changer in the industry and a much needed online real estate platform/system designed to provide a solid foundation, support and empowerment to the entire organisation.

**Our solution?**

***REOS - The solution to real estate industry compliance.***

*The importance of remaining compliant with real estate industry regulations cannot be overestimated.*

*By adopting the impressive and comprehensive **cloud-based compliance management system solution**, your entire organisation will benefit from the over **2,000 smart forms and operational procedures comprising the REOS system.***

*A true GPS, a roadmap to “everything you need” real estate.*

*24/7 online access to targeted knowledge, facts, day to day practice management/tools, manuals. Policies, sequential workflows and **newly updated laws.***

**Benefits to REOS members include:**

- LIC training plan
- System branding/customisation (with the organisational logo and customised with corporation details on all agreements and forms)
- Mandatory operational procedures (Human resources, Property management, Property sales, Regulatory guidelines, Negotiate and close sales, Leadership, office policies)
- Interactive Agency agreements(8 x employment agreements), ( 3 x property management agreements, (6 x property sales agreement )
- All agreements have a conjunctive agent section and were designed by expert lawyers to protect the agent and staff
- Risk management strategies/workflows/solutions
- Dispute resolution work flows
- Supervision guidelines
- Employers’ performance reviews procedures of staff members
- Prelisting kits and marketing

- 

**Hundreds of testimonials from happy clients. We would love to tell you more, and provide you with the opportunity to decide for yourself....**

**Interested????**

*If you would like to learn more about the system, then let's set up a short call this week.*

*Please text me (SIMA) your personalised REOS representative to 0416 034 444 (Please include your company's name, personal name and mobile no)*

**We will literally need only 15 minutes of your time to showcase the system which can be done Via a zoom meeting or a face to face demonstration by your organisation.**

*Alternately we can also arrange for a free navigational trial.(ask me how?)*

*Or we can catch up for a brief phone call, or you could send me an email to: [si\\_realty@yahoo.com.au](mailto:si_realty@yahoo.com.au)*

*For more details go to <http://www.reos.net.au>*
